**Indian Aviation Academy (IAA)** is the joint training academy of the Airports Authority of India (AAI), Directorate General of Civil Aviation (DGCA) and Bureau of Civil Aviation Security (BCAS).

IAA is certified as a TRAINAIR PLUS full member by ICAO. It is accredited as an ICAO Aviation Security Training Centre, Global ICAO – ACI AMPAP Training Centre, ICAO-India fellowship centre for developing countries, ACI Training Centre, Dangerous Goods Regulation (DGR) Training Centre, IATA Accredited Training Centre (ATC) and BCAS Certified Aviation Security Institute (ASTI). It is an affiliate of the International Association for Airport Executives (IAAE).

**Indira Gandhi Rashtriya Uran Akademi (IGRUA)** is the National Flying Training institution in the country under the administrative control of the Ministry of Civil Aviation, Government of India.

IGRUA was set up in September 1986 at Fursatganj in the District of Amethi near Raebareli, Uttar Pradesh to bring about a quantum improvement in the standards of flying and ground training of Commercial Pilots in the country.

During the past over three decades of its existence, IGRUA has graduated the finest pilots in the country, thereby contributing immensely for the development of Indian Aviation industry.

**IGRUA in collaboration with IAA (Indian Aviation Academy) and RWSI (Rotary Wing Society of India) plans to extend its services for the convenience of our stakeholders. We would like to coach PPL and CPL aspirants to be able to successfully clear DGCA exams for the particular licence and then do flying training at any of the reputed flying schools anywhere in the country. We would also like to help CPL holders to do their ATPL.**

**Registration starts for Classes for the first batch of students for appearing in PPL / CPL / ATPL exams conducted by DGCA.**

**The batches will commence every four months.**

**Last date for filing Application : 28 Mar 2021**

**Batch Commences on : 05<sup>th</sup> April 2021**
