

CHARGES ON WITHDRAWAL FROM TRAINING ON VARIOUS STAGES

If any trainee decides to withdraw from training after joining Akademi, the following charges will be charged by the Akademi:

| Sr. No | Training stage | Charges of Ground classes/Sim charges | Flying Charges Rate | Administrative Charges |
|---------------|--|--|------------------------------|-------------------------------|
| 1 | After Ground Classes but before aircraft flying (1707 batch onwards) | Rs 3.90 Lakhs | Nil | Rs 0.50 Lakhs |
| 2 | After commencement of flying training (up to 1702 batch) | Rs 3.25 Lakhs | Rs. 24000.00 per hour flying | Rs 0.50 Lakhs |
| 3 | After commencement of flying training (1707 batch onwards) | Rs 3.90 Lakhs | Rs. 24000.00 per hour flying | Rs 0.50 Lakhs |

It has been decided with the reasoning that the training fee charged by the Akademi is a subsidized package available to the regular trainees of the Akademi. When a trainee puts his/her application for withdrawal from Akademi, he/she ceases the right to get subsidized training and therefore he/she will be charged the fee on above mentioned rates.
